Social Commitment

Folk tours & treks donates part of its profits to folk Nepal, the charity fair trade organization which organizes and carries out medical camps each year in remote areas of Nepal. Since Folk tours & treks is a part of this organization, you will be paying for your tour package, and you will, at the same time, be contributing to Nepal's needy people's health programs throughout the country.

Company profile

Folk tours & treks was established with the goal of fair trade and tourism. From the beginning it has joined hands with folk Nepal one of the leading members of fair trade in Nepal. Folk Nepal has been organizing and participating in various charitable projects for the past ten years.

If you decide to accept the services of folk tours & treks, you have chosen the correct place to receive the best service and value for your money. You will be spending your money in both travelling and charity work along with enjoying adventurous tours in Nepal. You will be welcomed warmly and experience something memorable and worthwhile which will impact your entire life!

Tour Packages

We are able to give you a very adventurous, historic and meaningful tour package designed specifically for you according to the length of your holiday, your time table and your wish to accomplish much within your limited time. You simply need to mail or call us with all of your desired wishes and requirements for your planned duration and we will fulfil your all desires, designing and suggesting the best and most effective way to make your journey memorable, we will assist you all the way.

Trekking Packages

We recommend a camping trek in Nepal which will, probably, be the most memorable trip of your life! Travel with us and experience the authentic life of Nepal. We also organize all types of trekking tours such as tea house treks (lodge to lodge trekking), mountaineering trekking, cultural trekking, and village trekking. We hope you will join us!
